SIGNATURE OF THE BIDDER WITH STAMP

MANAGER (T) 220KV O&M –IIC
Annexure – ‘A’

The contractor shall strictly follow the terms and conditions given hereunder for the works/supply as applicable:

1. SCOPE OF WORK: - Contractor will satisfy himself with the details of the work / supply to be executed and if considered necessary they should visit the site (220 KV S/Stn Narela) on any working day and get any other information required in this connection.

2. T&P: - The contractor shall use his own Skilled / Unskilled Man-power, T&P and any other petty material / equipments required for the execution/completion of work unless specified.

3. SAFETY: - The contractor shall make all the arrangements for the safety of his staff. The D.T.L. shall not be responsible in any way for injury/disability, accident to any workman on this account and will be free from any legal bindings in this regard. D.T.L. will not be responsible to pay any damage to the workman of the contractor or any outside agencies.

4. The contractor shall make all payments and other contributions, if any, which may have to be made in regard to the workman under any statute or rules or regulations. The D.T.L. shall not be responsible for those payments.

5. The contractor will undertake to indemnity D.T.L. against liabilities or damages by way of compensation arising from any accidents to the person or property or any other person employed or otherwise during the progress of the contract and the D.T.L. shall not entertain any claim in this respect.

6. The contractor shall be solely responsible and shall ensure due compliance with the entire legal requirement concerning the workman employed by him under the provisions of applicable labor and other legislations. In the event of the contractor committing any fault resulting in D.T.L. being required to insure any liability or expenses or D.T.L. being required to any notice/summons in this respect the same shall be entitled to recover from the contractor liability attached to it due to any proceedings.

7. The contractor shall accept all risks of stoppage of hindrances to his work by outside interferences. Contractor shall take necessary steps to ensure that all the electrical installations of the D.T.L. and other services like water connections pipe lines, sewer pipelines, open drains, telephone cables, etc. are not damaged by his workers in any way. Contractor will be responsible for all such damages and shall have to repair of failing which he has to pay entire cost of damages. In case of damages to D.T.L., property/material contractor has to pay replacement cost.

8. Before carrying out the work, it shall be entire responsibility of the contractor to take all the safety precautions and shut downs etc. if required during the execution of work. All shut downs will be taken by D.T.L. supervisory staff but contractor’s representative will given request in writing. The work has to be carried out according to the specifications given, where not, according to the satisfaction of D.T.L. representatives. The quantity of work can vary up to plus/minus 25% depending upon the requirement at the discretion of the D.T.L. In the event of any obstruction at site, change in scheme, or due to any reasons; the contract can be cancelled for the balance quantity of the unexecuted work. The work can also be suspended temporarily due to any reasons and for such period, extension will be given by Manager (T) if required on the written request of the contractor.

9. PAYMENT: - The payment shall be processed within one month of receipt of bills from the contractor after the completion of the work as mentioned in the NIQ. The payment shall be sanctioned after verification is made as per rules of the D.T.L. However, any specific clause of payment quoted by the contractor for doing work, the penalty on D.T.L. account for loss to the Contractor will not be entertained. In case the work done by the contractor is not measured, no payment shall be made till the same is made according to the specifications.

10. PENALTY: - A token penalty of 1% per week of period of delay subject to maximum of 10% of the unexecuted portion of the contract would be le vied in case of delay in execution of the work beyond the stipulated completion period or extension if any, granted to them by the DELHI TRANSCO LIMITED. Force Major Clause Condition. This penalty amount will be deducted from the penalty delayed by Strikes, fire accidents or any other case, beyond the control of the contractor, a reasonable extension would be granted, subject to satisfactory proof furnished in time and accepted by the DELHI TRANSCO LIMITED.

11. The contractor has to execute the work on working days during the working hours. However, if required, the work can be executed on holidays/Sundays; under special circumstances, without any extra remuneration.

12. The contractor shall not without any consent of this Deptt. design or sublet the whole or part of the contract.

13. The contractor shall make his own arrangements for drinking water and other facilities for his labor/staff.

14. No idle charges shall be payable by the department.

SIGNATURE OF THE BIDDER WITH STAMP
15. ARBITRATION :- If the disputed question or controversy the settlement of which is not herein specially provided for shall at any time arise between the D.T.L. and the supplier/contractor relating to this order or the portion of the same or the right or duties or liabilities of either party then in every such case, the matter in dispute shall be referred to the Arbitration of the G.M.(O&M)-II or his nominee and the decision of the G.M.(O&M)-II shall be final and time to time shall be apply to such arbitration proceedings. Arbitration proceedings shall be held at Delhi and only Delhi Courts will have to payable by the D.T.L. to the contractor or vice-versa shall be withheld on account of such proceedings unless arbitration proceedings.

16. The work shall be started within one week from the date of notice either through telegram, through special messenger or telephonically. Contractor shall be required to strictly adhere to the safety regulations and electrical regulations/act.

18. This office reserves the right to get the work executed from the departmental shall or any outside agency at contractors cost and risk if work is not completed within the stipulated period without any valid reasons.

19. In case of transportation works contract shall strictly observe the regulations as laid down by Traffic Police, any damage to D.T.L. property/material during the course of transportation shall be recovered from the contractor’s bill.

20. PAYMENT: - Running payment will be made after completion of minimum 50% of the job of the overall portion of the work allotted.

21. SECURITY: The successful tenderer shall have to deposit the security at @ 5% of the total contract value within 07 days of receipt of order failing which penalty @ .05% per week up to maximum 2% of total contract value shall be levied.

22. Contractor will make his own arrangement for watch and ward of material issued to him till material is erected and handed over. In case of any theft/damage to D.T.L., material entire cost of such material will be recovered from the contractor.

23. Mandatory deductions towards Income tax, work contract act. 1999 and any other applicable deductions as per the provision made shall also be deducted by the payees department of DELHI TRANSCO LIMITED.

24. The stipulated completion period has been given in good faith. However, the contractor has to complete the work in minimum possible time by providing parallel gangs as per site requirements on the direction of Engineer in charge at site, otherwise poor performance may be recorded.

25. Quantity may vary: +/- (plus or minus) 25%.

26. INTEREST & REFUND OF EMD : No interest is payable by DTL on the amount of Earnest Money deposited by the Tenderers/Contractor. Earnest Money is held by DTL till obligations are satisfactorily and completely discharged by the Tenderer/Contractor. The amount of the Earnest Money shall be refunded to the unsuccessful bidders immediately after decision taken by the authority competent to accept the tenders.

27. DTL reserves the right to reject the offer/offers without assigning any reason.
