Manager (T) O&M N-1
General Terms and Conditions

1 **RATES** :- Item rates quoted should be exclusive of all taxes & duties etc. The relevant taxes shall be mentioned separately and shall be payable extra as applicable. The rates should be quoted based on the units specified in words as well as in figures without any cutting, in case of difference of values/rates in figures and words or any confusion it will be constituted to take the rates, which are lowest.

2 Following **self attested** documents should be submitted along with the offer, failing which offer is liable to be rejected.
   a). Copy of Permanent Account No.(PAN).
   b). Copy of GST certificate.
   c). Copy of VAT/GST last deposited receipt not older than one year

3 **Qualification Requirement:** Bidder should submit the self attested copy of similar supply Purchase Order along with satisfactory performance / completion report of similar supply executed in DTL or other State transmission utility/Govt. department.
   Similar works means: Supply of “CCTV Surveillance System” in DTL / State Transmission utilities/ Govt. Department during last 07 years with satisfactory performance for not less than one year. Offer submitted without satisfactory completion report and P.O. copy is liable to be rejected.

4 **DELIVERY:** The materials shall have to be delivered within delivery period as mentioned in the order at 220kV Substation Rohini-II Sector-29, Delhi without any extra cost, failing which penalty shall be imposed @ 1% per week subject to Maximum 10% on delayed portion of the order value.

5 **SECURITY:** The successful tenderer shall have to deposit the security @5% of the total Ex-works price for the proper performance of the contract within ten days of receipt of purchase order failing which penalty @ 0.05% per week subject to maximum of 2 % shall be imposed. The security amount shall be refunded after successful and satisfactory completion of guarantee period.

6 If there is no improvement in proper execution of the order as per terms & conditions of this order, the order shall be cancelled within 15 days with written notice to you and no claim for damage will be entertained.

7 **GUARANTEE :** The materials to be supplied shall be guaranteed for satisfactory operation for 12 months.

8 **INSPECTION :** The materials during or after manufacture could be inspected at the works if considered necessary. DTL also reserves the right of getting the material tested for metallurgy at the cost of bidder if so desired by approving officer.

9 **MATERIAL APPROVAL :** The materials to be supplied shall have to be got approved by Asstt. Manager (T) 220kV S/Stn. Rohini-II.

10 **PAYMENT :** Payment shall be made as per DTL norms through ECS. The payment shall be processed within one month of receipt of bills from the contractor after the completion of the work as mentioned in the NIQ. The payment shall be sanctioned after verification is made as per rules of the D.T.L. However, any specific clause of payment quoted by the contractor for doing work, the penalty on D.T.L. account for loss to the Contractor will not be entertained. In case the work done by the contractor is not measured, no payment shall be made till the same is made according to the specifications.

11 **REJECTED MATERIAL :** The contractor will have to replace/repair free of cost such quantity/quantities, which may not be accepted due to defect or inferior quality/poor workmanship within reasonable period mutually agreed from the date of information in this respect. Rejected materials shall have to be removed within a fortnight
from the date of intimation against replacement or refund of payment made, failing which the Deptt. shall have the right to dispose them off in any manner it likes.

12 **ARBITRATION:** If any dispute/question of controversy arises between DTL and contractor relating to the contract/order or any clause or thing contained therein, the dispute shall be referred at the arbitration of G.M.(O&M)-I or his nominee and the decision of the G.M.(O&M)-I or his nominee shall be final and binding on both the parties.

13 **QUANTITY VARIATION:** During the execution of the Contract, DTL reserves the right to increase or decrease the quantity of item under the contract but without any change in unit price and other terms & condition. However, such variation shall not be subject to any limitation for the individual items but the total variation in all such items under the contract shall be limited to plus twenty five or minus five percent (+20/-5%) of the Contract Price.

14 **EXEMPTION:** Earnest Money is to be deposited by all tenderers/ bidders, whether registered with DGS&D/NSIC/DTL or such bodies except the exempted categories as per the relevant government rules like small scale enterprises etc. Such exempted category bidders claiming EMD exemption shall enclose the verified copy of exemption certificate issued by relevant govt. agency, along with the bid failing which their bid shall liable to be rejected.

15 **INTEREST & REFUND OF EMD:** No interest is payable by DTL on the amount of Earnest Money deposited by the Tenderer / Contractor. Earnest Money is held by DTL till obligations are satisfactorily and completely discharged by the Tenderer/ Contractor. The amount of the Earnest Money shall be refunded to the unsuccessful bidders immediately after decision taken by the authority competent to accept the tenders.

16 **BLACK LISTING:** Any Party making post tender development directly or indirectly may be black listed for a period up to 3 years. In case tenderer amends/modifies/revise/withdraws the prices/price structure of the offer without the consent of Delhi Transco Limited, after the tender opening and during the period of validity of their offer (i.e. 120 days), the Earnest Money in full or part deposited by them shall be liable to be forfeited or their offer liable to be rejected. They shall also be debarred from participating in future tenders of DTL for the period ranging from 1 to 5 years and shall be placed under Black List. If the supplier fails to supply the material in full or in part within stipulated delivery period specified in the purchase order of material/equipment is found to be defective or failing of fulfill the Guaranteed Performance of the Contract as specified in the Purchase Order, they shall be debarred or black listed from participating in future tender of DTL for the period ranging from 3 to 5 years.

17 **CONTRACTOR'S REPRESENTATIVE:** The contractor shall depute authorized representative or assign this job to skilled man for execution of the contract, who shall be available for communication during any time, and he shall represent the contractor in his absence & all directions give to him shall be binding on the contractor.

18 **DEDUCTION FROM CONTRACT PRICE (RECOVERIES):** All costs, damages or expenses, which the purchaser may have paid or which under the contract the contractor is liable, are to be deducted and recovered by the purchaser from any money due or becoming due to contractor from the purchaser or otherwise from the contractor by action of law. In the event of recovery of the necessary extent becoming impossible, owing to insufficient security money and otherwise held amounts, the balance due to the purchaser & may be recovered in any way the purchaser may deem fit.

19 **ENTRY PASSES:** All such material to be used by the contractor shall be brought in with proper challan & similar authentic document which shall be got inspected by Engineer along with material as per security rules in force. Contractor shall be responsible for antecedents of the workmen & for getting gate passes. Gate pass shall be issued to them by Security wing of the plant. No labour below the age of 18 years shall be employed on the work & labour so employed must be able-bodies persons. The right of entry of the contractor & his workmen in the stations will be reserved with DTL.
20 **FORCE MAJEURE:** No liability shall be attached to contractor for non operation of execution of their obligation under this contract as a result of Force Majeure or any other factor beyond the reasonable control of the Management. No liability shall be attached to contractor for any damage due to natural calamities such as Earth vibro meter/Quake, War, Civil Commotion and Willful damage.

21 **PACKING & DESPATCH:** The contractor shall include and provide the strong protection and packing material so as to avoid damage in the transit of suit under proper conditions and shall be responsible for all losses or damages caused or occasioned by any defect in packing. The Contractor shall be responsible to get each consignment properly numbered, marked for handling during transit and clearly addressed to Delhi Transco Limited, New Delhi and safely placed in wagons. For all such consignment which are wrongly address labeled or miscued, the contractor shall bear such demurrage warfare or any other charges which may become due on the consignment received.

22 **PRICE BASIS:** All prices and price components of materials and services under the subject contract shall remain firm during execution of contract and no price variation whatsoever will be allowed on any of the components.

23 **REPLACEMENT OF DEFECTIVE AND REJECTED MATERIAL:** The contractor shall replace free of cost at destination any such quantities of material or any parts thereof, which be found defective due to inferior quality or bad material or workmanship etc. during the guarantee period within 30 days or the intimation to the effect. The material on receipt at purchaser’s office/site shall be verified and inspected by the purchaser. If the material is not found to purchaser’s satisfactions and specifications the same shall be rejected and the intimation thereof shall be conveyed to the contractor. The contractor shall also be intimated of the shortage and / or damages in the material received in the Purchaser’s site/offices. The rejected / short Supplied / damaged stock shall be replaced free of cost at destination within 7 days of intimation from DTL failing which the cost of such material shall be recovered from any amounts due to the contractor. Rejected supplies shall be removed within 10 days of receipt of intimation failing which the contractor may lose the claim of material.

24 **RISK PURCHASE:** The Project shall be completed satisfactorily and within the period specified in the order, failing which purchaser reserves the right to complete the project from other sources at the sole risk and cost of the supplier and the difference of rates will be recovered from the suppliers. If on checking, testing and using, the supplies/services proves to be defective or fails to fulfill the guarantee performance of the contract as specified by himself, the contractor shall have to make good the defects at his costs. If the contractor fails to do so the purchaser may arrange supplies/services at the cost of the contractor. Where supplies/services are not according to specifications and it is decided to retain the inferior supplies/services at the discretion of the purchaser, supplier will be entitled to receive the payment at rates by the purchaser with due regard to the quality of the supplies/services and not at the rates mentioned in the order. In case there is no improvement in the proper execution of the order as per terms and conditions or the contract the purchaser reserves the right to cancel the order after serving 15 days written notice to contractor and no claim or damages will be entertained.

25 **Stoppage & Starting of Work:** The Contractor shall accept all risks of stoppage of hindrances of his work by outside interferences. In the event of any obstruction at site, change in scheme, or due to any reasons the contract can be cancelled for the balance quantity of the unexecuted work. The work can also be suspended temporarily due to any reasons and for such period, extension will be given by Manager (T) if required on the written request of the contractor. No idle charges shall be payable by the department. The work shall be started within one hour from the date of notice either through telegram/special messenger/telephonically. The contractor has to execute the work on working days during the working hours. However, if required, the work can be executed on holidays; under special circumstances.

26 **SUB-LETTING OF CONTRACT:** The contractor shall not unreasonable with hold, assign or sublet his contract or any substantial part thereof, without the written consent of purchaser. Such subletting shall not in any way be interpreted as releasing the contract from his liability & obligations under the contract.
27 **TAXES AND DUTIES:**

(i) The base price quoted in respect of all items in the price schedule shall be excluding GST applicable on transaction between the Employer and the Contractor. The bidder shall quote separately the taxes, duties and levies as per GST rules for the portion of supply of goods and services as applicable in their quoted bid price and Employer would not bear any additional liability on this account except as stated in bid. In the schedules, Bidder shall give the required details and a breakdown of their price considering and taking into account the Input Tax Credit (ITC) as may be available under the Goods and Services Tax (GST) Laws and Regulations.

(ii) DTL shall make statutory deduction at source in accordance with the statutory provisions including income Tax Act, as applicable from time to time, for which necessary TDS certificate(s) shall be issued to you in due course.

(iii) The Input Tax Credit (ITC) available, if any, under the GST law as per the relevant Government policies wherever applicable shall be taken into account by the bidder while quoting bid price.

28 **TERMINATION OF CONTRACT:** DTL reserves the right to terminate the contract after giving 2 week notice in case of performance of the contractor is not found satisfactory or on account of non-compliance of any of the condition of the contract. In such case the security deposit shall also be forfeited without prejudice to right of the DTL to take any other action of recover any loss suffered by the DTL due to non-performance of the contract.

29 **T & P:** The contractor shall use his own labour, tools & plants required to complete the work.

30 **Transportation:** In case of transportation works contractor shall strictly observe the regulations as laid down by Delhi Traffic Police. Any damage to DTL property / material during transportation shall be recovered from the contractor’s bill.

31 **WARRANTY:** The contractor warrants that the equipment will be new and in accordance with the specifications. The contractor warrants that the equipment will be free from defects in design material and workmanship. The acceptance of the supplies & services by the purchaser shall in no way relieve the contractor of his obligation under this article. In case of defective supplies & services not repairable at site but essential in the maintenance of the commercial operation of the equipment the parties shall mutually agree to a program of replacement by renewal which will minimize to the maximum extent, any interruption in the operation of the equipment. It becomes necessary for the contractor to replace or renew any defective equipment under this article the provision of this article shall apply to the replacement until the expiration of six months from the date of such replacement of renewal or until the period of twelve (12) months after completion of test which ever may be later. The contractor shall have to submit a written warrant on a non-judicial stamp paper incorporating provision of the other clauses.

32 Delhi Transco Limited reserves the right to reject the offer/offers without assigning any reason.

33 Delhi Transco Limited reserves the right to cancel the order, if found unsatisfactory performance and will have the right to procure material from other party at the Risk and Cost of the contractor.

34 Successful bidder shall be liable to provide all technical support, as and when required, for installation and commissioning at site.

35 In case of opening day is holiday/closed day, opening date may be treated as the next working day or can be postponed by the officer opening authority.

   Contractor will satisfy himself with the details of the work to be executed and if considered necessary they should visit the site i.e. 220kV substation Rohini-II, Sector 29 on any working day and get any other information required in this connection.

2. **T&P:** - The contractor shall use his own Skilled / Unskilled Menpower, T&P and any other petty material / equipments required for the execution/completion of work unless specified.

3. **SAFETY:** - The contractor shall make all the arrangements for the safety of his staff. The D.T.L. shall not be responsible in any way for injury/disablement, accident to any workman on this account and will be free from any legal bindings in this regard. D.T.L. will not be responsible to pay any damage to the workman of the contractor or any outside agencies.

4. The contractor shall make all payments and other contributions, if any, which may have to be made in regard to the workman under any statute or rules or regulations. The D.T.L. shall not be responsible for those payments.

5. The contractor will undertake to indemnity D.T.L. against liabilities or damages by way of compensation arising from any accidents to the person or property or any other person employed or otherwise during the progress of the contract and the D.T.L. shall not entertain any claim in this respect.

6. The contractor shall be solely responsible and shall ensure due compliance with all the legal requirement concerning the workman employed by him under the provisions of applicable labour and other legislations. In the event of the contractor committing any fault resulting in D.T.L. being required to insure any liability or expenses or D.T.L. being required to any notice/summons in this
respect the same shall be entitled to recover from the contractor liability attached to it due to any proceedings.

7. The contractor shall accept all risks of stoppage of hindrances to his work by outside interferences. Contractor shall take necessary steps to ensure that all the electrical installations of the D.T.L. and other services like water connections pipe lines, sewer pipelines, open drains, telephone cables, etc. are not damaged by his workers in any way. Contractor will be responsible for all such damages and shall have to repair of failing which he has to pay entire cost of damages. In case of damages to D.T.L., property/material contractor has to pay replacement cost.

8. Before carrying out the work, it shall be entire responsibility of the contractor to take all the safety precautions and shut downs etc. if required during the execution of work. All shut downs will be taken by D.T.L. supervisory staff but contractor’s representative will given request in writing. The work has to be carried out according to the specifications given, where not, according to the satisfaction of D.T.L. representatives. The quantity of work can vary upto plus/minus 25% depending upon the requirement at the discretion of the D.T.L. In the event of any obstruction at site, change in scheme, or due to any reasons the contract can be cancelled for the balance quantity of the unexecuted work. The work can also be suspended temporarily due to any reasons and for such period, extension will be given by Manager (T) if required on the written request of the contractor.

9. The contractor has to execute the work on working days during the working hours. However, if required, the work can be executed on holidays/Sundays; under special circumstances, without any extra remuneration.

10. The contractor shall not without any consent of this Deptt. design or sublet the whole or part of the contract.

11. The contractor shall make his own arrangements for drinking water and other facilities for his labour/staff.

12. No idle charges shall be payable by the Department.

13. The work shall be started within one week from the date of notice either through telegram, through special messenger or telephonically. The work shall be carried out under guidance / instructions of site incharge and shall be approved by A. M. (T) 220kV Rohini-II.

14. Contractor shall be required to strictly adhere to the safety regulations and electrical regulations/act.

15. This office reserves the right to get the work executed from the departmental shall or any outside agency at contractors cost and risk if work is not completed with in the stipulated period without any valid reasons.

16. In case of transportation works contract shall strictly observe the regulations as laid down by Traffic Police, any damage to D.T.L. property/material during the course of transportation shall be recovered from the contractor’s bill.

17. Contractor will make his own arrangement for watch and ward of material issued to him till material is erected and handed over. In case of any theft/damage to D.T.L., entire cost of such material will be recovered from the contractor.
18. Mandatory deductions towards Income tax, work contract act. 1999 and any other applicable deductions as per the provision made shall also be deducted by the payees department of DELHI TRANSCO LIMITED.

19. The stipulated completion period has been given in good faith. However, the contractor has to complete the work in minimum possible time by providing parallel gangs as per site requirements on the direction of Engineer in charge at site, otherwise poor performance may be recorded.

20. DTL reserves the right to reject the offer/offers without assigning any reason.
**ANNEXURE ‘B’**

**Detailed Scope of Work and Technical Specifications**

**Subject:- Supply and installation of CCTV at 220/66 kV Substation Rohini-II.**

**Scope of Work:**

a. Supply, Installation, Testing and Commissioning of CCTV Cameras and Surveillance System at/in the 220kV Rohini-II Substation as per enclosed BOQ and adhering to the enclosed Technical specifications.

b. The centralized monitoring of the above system will be in the control room of the substation building.

c. The bidders can visit the 220kV Rohini-II substation for survey of the site and identify strategic location to place the CCTV cameras so as to have maximum coverage of the common area and other locations which required to be monitored.

d. CCTV is required for surveillance through outdoor & indoor cameras at specified location outside & inside the building. Cameras shall sense the objects even in low illumination. These cameras are to be connected to the Video Recorder. The video recorder unit should direct recording of all the cameras in real time. The resolution of the picture should be high. The operator should have the facility to choose any given camera for viewing on the monitor. Each image recording should be recorded with the camera number, title, time, date and recording speed visible on the screen at all times.

e. Housing for outdoors cameras/lens shall be environmental, weather proof, IP66 rated vandal proof complete with sun shield.
