GENERAL TERMS & CONDITIONS:
Before submitting their bid proposals, bidders shall carefully examine the site of the work to familiarise themselves with the site conditions which exist regarding present work to be executed, materials to be matched, precautions required, working space available and other conditions necessary to the making of the intelligent bids.

1. Bidders are required to quote their rates in figures as well as in words at the end of schedule of quotation attached with quotations.
2. The contractor has to quote the rates exclusive of GST. If bidder does not quote the rate exclusive of GST then their bids will not be accepted.
3. The quotations of the work shall remain open for acceptance for a period of 120 days from the date of opening of the quotations.
4. The competent authority reserves the right to reject any or all the quotations without assigning any reason thereof.
5. The Earnest money shall be in the form of DD/P.O./FDR in favour of Delhi Transco Ltd. payable at New Delhi and be deposited along with the quotation. Quotation without the requisite amount of Earnest money is liable for rejection.
6. In the event of failure of the bidder to start the work within a period as specified in the Letter of Award issued to him, the entire E/Money deposited by him shall be forfeited and acceptance of his quotation withdrawn unless the period is extended by mutual agreement.
7. Agreement: The successful contractor will have to execute the work order agreement on ‘Non Judicial Stamp paper’ of Rs.100/- within a period of 07 days from the date of issue of ‘Letter of Award’ otherwise the entire E/Money deposited by him shall be forfeited and acceptance of his quotation withdrawn unless the period is extended by mutual agreement.
8. The terms and conditions, as specified in the quotation, shall be in force till such time it is replaced by a work order agreement.
9. Guarantee/Warrantee period: 6 months from the date of acceptance of the completed ‘work & supply’ of the contractor by the Engineer-in-Charge.
10. Security Deposit:
   a. The successful bidder shall have to deposit the security @ 5 % of the total awarded amount for the proper performance of contract within 10 days from the date of receipt of ‘PO’ in the office of Manager (T) Internal Wiring.
   b. The security amount is to be deposited in the form of DD/P.O./FDR drawn in the favour of DTL valid upto the date of guarantee period of the work.
   c. The security amount in whole or in any part thereof is liable for forfeiture in case on unsatisfactory executive delay or bad supplies/works.
   d. The security amount will be released after the completion of the Guarantee/Warrantee period as above. No claim shall be entertained against the owner on account of interest of Earnest Money/Security Deposit.
   e. In the event of non submission of security within the stipulated period, penalty @ 0.05 % per week upto maximum of 2 % of awarded amount shall be levied.
   f. No interest on security deposit will be payable to the depositors.
   g. Under no circumstances exemption from security deposit is permitted.
11. Penalty: Penalty of 1% per week for the period of delay subject to maximum of 10% of the total value of contract would be levied in case of delay in execution / completion of the work beyond the extension stipulated completion period of extension granted by the Company
under Force-Major Clause, if any. It may clearly be noted that penalty as per above percentage will be levied in full for the total contract value and not for the balance portion of the work since delayed completion of work affects the commissioning of entire work. The amount of penalty can be recovered from any other contract from any amount due to the contractor from DTL.

12. **Force Majeure Clause**: If the work is delayed by strike/lock out or any other unforeseen reasons beyond the control of the contractor, a reasonable extension shall be granted subject to satisfactory proof furnished in time and accepted by the Engineer-in-charge of the work.

13. **Safety**: All works to be executed under the contract shall have to be executed under the directions and subject to the approval of the Manager-in-charge of DTL, who shall be entitled to direct at what point and in what manner they are to be commenced and from time to time carried on.

14. If required, the work will have to be carried out during Sunday and other holidays with prior permission of Engineer-in-Charge.

15. No dismantling charges will be made extra.

16. Contractor shall provide all T&P, labour, materials, equipment and other accessories complete as required for the successful execution of work in accordance with drawings & specifications.

17. The contractor shall maintain in good condition all works during execution till completion of entire work allotted to him.

18. The contractor shall have to supply the material against the actual requirement time to time for which a proper ‘record/receipt from the user’ shall be maintained by the contractor.

19. The contractor shall ensure that site is cleared thoroughly of rubbish scaffolding materials etc. before the date of completion of work.

20. Any damage done by the contractor to any existing work during the course of execution of the work tendered, the same shall be made good by him at his own cost.

21. The work shall be carried out as per CPWD specifications with upto date correction slips unless otherwise stated by the Department. Wherever applicable, relevant B.I.S. Codes will also be referred to.

22. The Engineer-in-Charge shall have full powers to reject the material, which in his opinion are not in accordance with the specification. The Engineer-in-Charge shall also have full powers to acquire other proper materials to be substituted thereof, the Engineer-in-Charge may call for the same to be supplied and all cost which may be required for removal and substitution are to be borne by the contractor.

23. In case of any alteration/addition or substitution in the work, the rates shall be derived from the CPWD schedule of rates for Delhi ± percentage finally adopted by the owner and as quoted by the bidder on the quotation. In case however the rates are not available in the DSR or can’t be derived from the similar items of DSR, the market rates will be taken with a profit & overheads margin of 15% only be considered for arriving at the final rates of items.

24. **Deviation**: The quantity of work can be varied +/- 20% depending upon the requirement.

25. **SUPERINTENDANCE**: The contractor shall keep a competent and qualified representative constantly in-charge on the premises from the time of work is commenced until it is entirely completed.

26. All the labour/staff liabilities as per the norms of labour laws, TA. DA etc. will be borne by the contractor. No extra payment shall be made on account of these.

27. The contractor will also abide by Employees Provident fund & ESI rules as applicable from time to time.

28. The contractor shall fulfill all the requirement of notification of the State Government regarding Sales Tax etc.
29. The contractor will abide to all statutory provisions of labors. Act, 1975/labour contract act/ workmen compensation act as amended from time to time during the execution of work.

30. **Minimum Wages:** The contractor shall comply with all the processions of the minimum wages Act, 1948 and any modification thereof rules formed there under and other labour laws.

31. **Payment:** The payment shall be made within one month on the receipt of bills from the contractor after the completion of the work awarded. The payment shall be sanctioned after verification by Manager concerned of DTL and shall be made as per rules of the Company. If on any account or unforeseen reasons if DTL is unable to give clearance/materials to the contractor for doing the work, no penalty on DTL on account of loss to the contractor will be entertained. In case the work done by the contractor is not according to specifications, the work so executed will not be measured and no payment shall be made till the same is done according to specifications.

32. **WORKMAN COMPENSATION:** In every case in which by virtue of the provisions of section-12, sub-section(1) of the workman’s compensation Act 1923. Delhi Transco Limited is obliged to pay compensation to the workman employed by the contractor in execution of the work, Delhi Transco Limited will recover from the contractor, the amount of the compensation so paid and without prejudice to the rights of the Delhi Transco Limited. under section 12, sub-section (2) of the said Act, Delhi Transco Limited shall be at liberty to recover such an amount or any part thereof by deducting it from the security deposit or from any sum due by Delhi Transco Limited to the contractor, whether under this contract or otherwise Delhi Transco Limited shall not be bound to contest any claim made against it on written request of the contractor and upon his giving to Delhi Transco Limited full security for all cost for which Delhi Transco Limited might become liable in consequent of contesting such claims.

33. **Dispute:** In case of any dispute in the execution of work or thereafter, the decision of the concerned General Manager (T) or his nominee shall be final and binding.

34. **Arbitration:** If any dispute, question or controversy, the settlement of which is not herein specifically provided for shall at any time arise between DTL and the supplier/contractor relating to this order/contract or any matter connected with this contract/order on the portion of the right or duties or liabilities of either partly then and in every case, the matter in dispute shall be referred to Arbitration or Chairman or his nominee and the decision of Chairman or his nominee shall be final and binding on both the parties. The provision of Indian Arbitration Act, 1940 as amended from time to time shall apply to such Arbitration proceedings. Arbitration proceedings shall be held at Delhi and only Delhi Courts will have jurisdiction in the matter, it will not be opened to the contractor/supplier to object to this appointment of Chairman of the DTL or his nominee as Arbitrator on the ground that he is an officer of DTL or he has dealt with the matters in question the course of his duties or has expressed his view on or any matter is disputes. Services under this order/contract shall not be withstand the existing of any such dispute/controversial question of controversy continue during the Arbitration proceedings and no payment due to payable by DTL to the contractor or vice-versa shall be withheld on account of such proceedings unless such payment are the direct subject to such Arbitration proceedings.
