MODALITIES FOR AVAILING OPD TREATMENT AND CREDIT FACILITY FROM PRIVATE EMPANELLED HOSPITALS:

Employees shall keep on availing medical facilities from any opted dispensary of erstwhile DVB as per the present practice and can attend any empanelled hospital without any referral from dispensary. After investigation of the case, if treating doctor of designated hospital opines that the treatment is to be administered as an indoor patient, the hospital shall inform the CMO-DTL regarding indications for admission, condition of the patient, diagnosis, intended treatment to be administered, approximate duration of stay and other relevant details on a specified format to be termed as '**Intimation of admission**'. The employee desiring of availing credit facilities for indoor treatment should approach CMO-DTL, at Shakti Sadan, Kotla Road New Delhi-110002, with 'Intimation of admission' issued by the hospital and the patient (in case the patient is a dependant member of his family). **No referral letter shall be issued by CMO in an elective case without examining the patient and justifying need for admission.** CMO, after verifying the facts shall issue a 'referral letter' addressed to the hospital for extending credit facilities for indoor treatment.

In case of emergency - the patient should approach directly to the hospital with his/her Medical Prescription Card bearing recent formal photograph of all dependant family members/ Identity card, and get admitted, if advised by the treating doctor of the hospital. Hospital shall identify that the patient is a DTL beneficiary with the help of photograph; hence **all employees are advised to affix a post card size formal recent family photograph, duly attested by controlling officer in the space provided in MPC. In case such photograph is not affixed, credit facilities shall not be extended.** The hospital shall immediately inform the CMO, DTL, telephonically/ by mail with all the relevant details as mentioned in para above, and issue Intimation of Admission to employee/attendant, who shall approach CMO, DTL along with Medical Prescription Card and Intimation of admission issued by the hospital. **The 'referral letter' for availing credit facilities should be obtained from the CMO, DTL at the earliest/latest by next working day of admission in hospital.**

No credit facilities will be extended for OPD treatment or for investigations. Beneficiaries should note that **"all investigation costing more than Rs. 2000/- shall allowed to be carried out only on advise of a specialist of a recognized hospital and from a recognized diagnostic centre only"**. Investigations costing less than Rs. 2000/- are allowed to be carried out from any Reputed Diagnostic Centre as per the convenience of the beneficiary, however, reimbursement shall be restricted to CGHS rates.

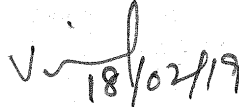

The facility of credit for indoor treatment is being offered as a welfare measure so that employees are not forced to arrange large sum of money required for availing indoor treatment. However, it is to be noted by all employees that any instance of mis-utilization of the scheme, in any manner, shall be viewed seriously and strict action shall be initiated against the erring employee.

Contd....3....

It has been observed in few instances that the employee do not get the names of their dependants deleted from their MPCs who are no more dependant as per CS(MA) Rules, which should be ensured by all beneficiaries i.e. getting the name deleted from the MPC in such cases.

The revised panel shall remain valid for a period of three months, i.e. from 22.02.2019 to 21.05.2019. The beneficiaries who are already availing OPD treatment from the previous panel hospitals may continue to do so for 15 days from the date of issue of this Office Order to avoid any inconvenience to the patients.

All Heads of Department are requested to bring the contents of this to the notice of all the employees working under them.
