2. Uninterrupted supply to IGI stadium complex (BYPL agenda) :

3rd India African forum summit is going to be held at IGI stadium complex from 26th to 29 Oct 2015. Prime ministers of 54 countries are invited for the summit making it very important and prestigious event for New Delhi.

The power supply to IGI stadium complex is through 33 KV IGI stadium grid of BYPL, which in turn receives power from 220 KV RPH (Bay no.-12) and IP Stn (Bay no. 29 & 33).

Multiple partial grid collapses happened during last 15 days (on Mandola-IP section) have affected the supply of IGI stadium, thus underlining an area of utmost concern.

Accordingly, BYPL requested to deliberate the remedial/alternate arrangements for ensuring uninterrupted supply at event venue.

Members may deliberate.

Accordingly, Members are requested to kindly attend the meeting as per the schedule mentioned above.
