NDMC Agenda:-

3. To provide regular supply to NDMC feeders & reduce the connecting load of other DISCOMs from Park Street during the Monsoon Parliament session.

It has been observed that NDMC is not in position to draw electric load from Park Street to various NDMC Feeders due to replacement of 100 MVA Tr. at Park Street since more than 02 months. It is well aware that the Monsoon Parliament Session is going to be commenced from 18th July 2022. Park Street supply is one of the main source of supply which is very close to the Parliament House.

Main Supply: Park Street to Nirman Bhawan ----> Krishi Bhawan----> Parliament House.
Elect. Load

Park Street to Baird Lane ----> Parliament House ----> H.V.AC

- Standby Supply: 1. I.P. Bay 2 2. I.P. Bay 16 3. 220KV HCML
 4. G.T. Vidyut Bhawan, etc.

It is requested that OCC may ensure for providing regular uninterrupted power supply from Park Street to all NDMC Feeders or make necessary arrangements for reducing the connecting load of other Discoms from Park Street feeders during the running of Monsoon Parliament Session. So that the supply of Parliament House might not be affected from NDMC Feeders.

(OCC may deliberate)
